- REMARKS -

A set of system claims corresponding to the originally filed method claims have been added. In addition, an additional set of claims has been added corresponding to a method of using the claimed system. Support for these claims can be found in the specification as originally filed. No new subject matter has been added.

As a result of this amendment, the number of independent claims is 3 and the total number of claims is 30. Therefore, please charge the additional claim fees of \$500.00 to our deposit account No. 19-5113.

Respectfully submitted,
Alain Richard et al.
